TERMS AND CONDITIONS

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY (Continued)

4. Directory Errors and Omissions
 - a. Claims for damages due to errors or omissions in directory listings will be limited to prorated charges for the customer service that is affected.
 - b. In the case of extra listings in the alphabetical section of the directory for which a charge is made, the Company's liability shall be limited to an amount not to exceed the established rate for such listing for the directory period in which the error or omission occurs.
5. Transmitting Messages
 - a. The Company does not transmit messages, but offers the use of its facilities, where available, for communications between parties, subject to the rules, regulations and conditions specified in this Services Catalog.
6. Use of Connecting Company Lines
 - a. Facilities of other companies may be used in establishing connections to points not reached by this Company's lines. In establishing connections with the facilities of other companies, the Company does not assume any liability for any action of the connecting company.
7. Defacement of Property
 - a. The Company shall exercise care in all work done on a customer's property. No liability shall attach to the Company by reason of any defacement or damage to the customers' property resulting from the existence of the Company's instruments, apparatus and associated wiring on such property, or by the installation or removal thereof, unless such defacement or damage is the result of the negligence of the Company, or its employees.
8. Customer Premise Equipment
 - a. The Company shall not be responsible for any loss or damage, nor for failure or impairment of service in connection with customer-provided facilities unless caused solely by the negligence of the Company. The Company's liability is limited to that provided in the Terms and Conditions of this Services Catalog.
 - b. The telecommunications network is not represented as being adapted to the use of all customer premise equipment and the Company shall not be responsible for: (a) the through transmission of signals generated by the customer premise equipment or for the quality of or defects in, such transmission; (b) the reception of signals by the customer premise equipment or communications equipment.

TERMS AND CONDITIONS

B. OBLIGATION AND LIABILITY OF TELEPHONE COMPANY (Continued)

- 8. Customer Premise Equipment (Continued)
 - c. The customer indemnifies and saves the Company harmless against claims for libel, slander, or infringement of patents arising from combining such equipment with the facilities of the Company.
 - d. The Company shall not be responsible to the customer if changes in criteria in this Services Catalog or changes in any of the facilities or operations or procedures of the Company render any customer premise equipment obsolete, or require modification or alteration of such equipment, or otherwise affect its use or performance. The Company reserves the right to change the standards of its equipment as the requirements of the telephone business may direct.

C. USE OF SERVICE AND FACILITIES

- 1. Use of Customer Service
 - a. Customer telephone service is furnished on retail basis for residential or business use only and not for resale except as otherwise provided in Part II, Section O. Service accounts are assigned to customers only, and the customer(s) in whose name the account is established will be treated as the account owner(s) for all purposes. Account owners shall be responsible for any and all use of the subscribed service.
- 2. Attachment or Connection of Customer Premise Equipment
 - a. Customer premise equipment may be used with the facilities furnished by the Company, for telecommunication service, provided that such equipment will be connected, maintained and operated in a manner compatible with Company's facilities and networks.
 - b. It is the customer's obligation to ensure compliance with any applicable state or federal laws governing the installation and use of customer premise equipment.
 - c. To protect the network and services furnished to the public by the Company, the customer premise equipment must comply with all applicable minimum network protection criteria.
 - d. If customer premise equipment is used which is causing or is likely to cause interference or hazard to the network, the Company will take such action as it deems necessary for the protection of the telecommunications network.
 - e. After notification by the Company of such interference or hazard, the customer shall discontinue such use and disconnect such equipment. Failure of the customer to conform to this requirement may result in suspension of service.
 - f. The customer will be responsible to pay a service check charge as specified in Part VI, Service Check Charges for visits to their premises when the service difficulty is caused by the customer premise equipment.

TERMS AND CONDITIONS

D. ESTABLISHMENT AND FURNISHING OF SERVICE

1. Application for Service
 - a. Applications for service may be made orally, in writing or on line where available. These applications become contracts upon the establishment of service. The Company may require an applicant to pay in advance an amount equal to two month's exchange rate. If a deposit is required by the Company, applicable non-recurring charges and service charges (if any) may be required in advance. The terms and conditions specified for such contracts are subject to these General Terms and Conditions and this Services Catalog for the exchange from which service is to be furnished. Any change in rates, rules or regulations shall act as a modification of the contract to that extent, without further notice.
 - b. Minimum contract periods and termination of service are covered elsewhere in Part II of this Services Catalog.

2. Telephone Numbers
 - a. The customer has no proprietary right in the telephone number or any right to continuance of service from any specific central office, and the Company may assign or change the telephone number, the central office designation, or both, as is necessary in the conduct of its business or subject to any porting requirements. Except for non-payment of yellow page advertising, when customers are assigned a new number within the exchange, the former working number intercept shall provide the new number to a calling party for not less than 60 days or until the issuance of a new directory.

3. Alterations
 - a. The customer agrees to notify the Company promptly whenever alterations or new construction on premises owned or leased by the customer necessitate changes in the Company's facilities. The customer agrees to pay the Company's charges for such changes.

4. Payment for Service
 - a. The customer is required to pay all rates and charges for local, exchange services and facilities.

5. Maintenance and Repairs
 - a. All expense of maintenance and repair of regulated services or facilities provided by the Company will be borne by the Company. The customer will be held responsible for restoration or replacement costs in case of loss of, damage to, or destruction of any of the Company's facilities not due to normal use. Customers may not rearrange, disconnect, or remove or permit others to rearrange, disconnect, or remove any Company owned facility installed by the Company unless provided elsewhere in this Services Catalog.

TERMS AND CONDITIONS

F. ESTABLISHMENT AND MAINTENANCE OF CREDIT (Continued)

2. Amount of Deposits

- a. The amount of deposit required shall not be more than the maximum charge for two months local exchange service or as may reasonably be required by the Company in cases involving service for short periods or special occasions. The Company may require the customer to increase the amount of the deposit at any time, if the charges billed against the customer are found to warrant such an increase.
- b. A deposit may be made at any Company business office or authorized agent.
- c. The Company will maintain records which show the name and address of each depositor, the amount and date of the deposit and each transaction concerning the deposit. Unclaimed deposits shall be disposed of in accordance with law.
- d. A receipt of deposit will be furnished to each customer from whom a deposit is received. Upon customer request, duplicate receipts will be provided to customers who have lost their receipt if the deposit is substantiated by the Company records.

3. Deposits and Collection Practices

- a. The fact that a deposit has been made in no way relieves the applicant or customer from complying with the Company's regulations as to advance payments and the prompt payment of bills; nor constitutes a waiver or modification of the regular practices of the Company providing for the discontinuance of service for non-payment of sums due the Company for services rendered. The Company may discontinue service to any customer failing to pay current bills regardless of the fact that such customer has made a deposit with the Company to secure payment of such bills, or has furnished the Company with a guarantee in writing for such bills.

4. Interest to be Paid on Deposits

- a. Interest compounded annually, shall be at the rate and terms provided in Iowa Utility Board rule 199 IAC 22.4(2)(b).

5. Discontinuance of Service for Failure to Establish Credit

- a. Service may be discontinued for failure to establish or maintain credit, as set forth in F.1. above, twelve days after the Company has mailed notice requiring the customer to do so.

TERMS AND CONDITIONS

H. CONSTRUCTION AND INSTALLATION CHARGES

- 1. General
 - a. Lines will be extended in accordance with provisions specified in the Line Extension Section.
 - b. Special charges in the form of installation charges, monthly rates or both, are applied in addition to the usual service charge and monthly rates when, because of the sporadic or occasional nature of the service or an unusual investment or expense as for example:
 - 1) The facilities are provided in remote or undeveloped sections.
 - 2) Conditions that require unusual methods of plant construction, installation or maintenance.
 - 3) The customer's location requires the use of costly private right-of-way.
 - 4) The establishment of services which may be of a speculative or temporary nature.
 - c. Title to all construction, as specified in H.2. below, provided wholly or partly as a customer's expense is vested in the Company.
 - d. "Cost" is labor and materials included loaded overheads and may include a contribution to cover the cost of doing business not explicitly associated with direct cost.
- 2. Special Type of Construction
 - a. If a special type of construction is desired by a customer, (e.g., when underground service is desired in places where aerial construction would normally be used) or if unusual requirements of a customer make the cost of an installation higher than it would be if the usual type of construction were used, the customer is required to pay the difference in cost between the special type of construction and the average cost of the usual type of construction.

I. MINIMUM CONTRACT PERIODS

- 1. Minimum Contract Period
 - a. Except as specified elsewhere in this Services Catalog, the minimum contract period is one month from the date service or additions to service are established and the minimum charge is the authorized rate for one month. For purposes of rate administration each month is considered to have 30 days.
 - b. The Company may require a contract period longer than one month at the same location for unusual construction necessary to meet special demands, and involving extra costs (see Special Type Construction).

TERMS AND CONDITIONS

J. DISCONNECTION OR REFUSAL OF SERVICE

1. By the Company Without Notice
 - a. The Telephone Company may disconnect or refuse service without notice:
 - 1) in the event of a condition on the customer's premises determined by the Telephone Company to be hazardous.
 - 2) in the event of customer's use in such a manner as to adversely affect the Telephone Company's facilities or the Telephone Company's service to others, such as:
 - a) connection of Customer Premise Equipment which causes or is likely to cause interference or hazard to the network.
 - b) Impersonation of another with fraudulent intent.
 - 3) in the event of tampering with facilities furnished and owned by the Telephone Company.
 - 4) in the event of unauthorized use.

2. By the Company After Prior Written Notice
 - a. In addition to the reasons set forth in subparagraph 1a. above, the Telephone Company may disconnect or refuse service after providing at least five days or in the case of deposits twelve days, prior written notice for any of the following reasons:
 - 1) failure of a customer to make suitable deposit as required by these rules.
 - 2) use of service in an unlawful or abusive manner, including to illegally threaten or harass other persons or in violation of any federal, state, or local law applicable to use of service.
 - 3) the customer's bill for local services remains unpaid after the last date for timely payment.
 - 4) for failure of the customer or prospective customer to furnish permits or certificates of right-of-way specified to be furnished in the Telephone Company's rules filed with the Iowa Utilities Board as conditions for obtaining service, or the termination of those permissions or rights, or for the failure of the customer or prospective customer to fulfill the contractual obligations imposed upon them as conditions of obtaining service by a contract subject to the regulatory authority of the Iowa Utilities Board.
 - 5) for failure of the customer to permit the Telephone Company reasonable access to its facilities.
 - 6) any other violation of the Telephone Company's Terms and Conditions on file with the Iowa Utilities Board, the requirements of municipal ordinances or law pertaining for the service.

TERMS AND CONDITIONS

J. DISCONNECTION OR REFUSAL OF SERVICE (Continued)

2. By the Company After Prior Written Notice (Continued)
 - b. Despite the prior written notice provisions as contained in these rules, disconnection may take place prior to the expiration of the notice period if the Telephone Company determines, from verifiable data, that usage during the notice period is so abnormally high that a risk of irrevocable revenue loss is created.
 - c. Only one written notice will be provided to the customer if multiple violations occur.
 - d. The notice of pending disconnection required by these rules shall be a written notice setting forth all reasons for the notice, and the final date by which the account is to be settled or specific action taken. The notice shall be considered rendered to the customer when deposited in the U.S. mail with postage prepaid. If delivery is by other than U.S. mail, the notice shall be considered rendered when delivered to the last known address of the person responsible for payment for the service. The final date shall be not less than five days after the notice is rendered, or in the case of deposits twelve days. The notice will include a toll-free or collect number where a customer can obtain additional information.
 - e. Where written notice is required, the Company will not disconnect service on a weekend, holiday, or after 2:00 P.M. unless the Company is prepared to reconnect the service the same day.

3. Disputes
In the event of a dispute concerning a bill, the Telephone Company may require the customer to pay a sum of money equal to the amount of the undisputed portion of the bill. Following payment of the undisputed amount, efforts to resolve the complaint, using complaint procedures in the Telephone Company's Services Catalog, shall continue and for not less than forty-five days after the rendering of the disputed bill, the service shall not be disconnected for non-payment for the disputed amount. The forty-five days may be extended by up to sixty days if requested of the Telephone Company by the Iowa Utilities Board in the event the customer files a written complaint with the Iowa Utilities Board, Customer Service, 1375 E. Court Avenue, Room 69, Des Moines, Iowa 50319-0069, toll free at 1-877-565-4450, or customer@iub.iowa.gov.

TERMS AND CONDITIONS

J. DISCONNECTION OR REFUSAL OF SERVICE (Continued)

4. Emergency Medical Conditions

Disconnection of a residential customer shall be postponed 30 days if an existing medical emergency of the customer, a member of the customer's family, or any permanent resident of the premises where service is rendered would present an especial danger to the health of any permanent resident of the premises. Indicators of an especial danger to health include, but are not limited to: age; infirmity; mental incapacitation; serious illness; physical disability, including blindness and limited mobility; and any other factual circumstance which may indicate a severe or hazardous health situation. The telephone utility may require written verification of the especial danger to health by a physician or a public health official, including the name of the person endangered, and a statement that the person is a resident of the premises in question. Initial verification may be by telephone, but the telephone utility may require a written verification within 5 days of the verification of the especial health danger by the physician or a public health official, including the name of the person endangered and a statement that the person is a resident of the premises in question. If the service has been disconnected within 14 days prior to verification of illness for a qualifying resident, service shall be restored to that residence if a proper verification is thereafter made in accordance with the foregoing provisions. If the customer does not make payment during the 30-day period, the service is then subject to disconnection.

5. At Customer's Request

- a. Contracts for service may be terminated prior to the expiration of the contract period provided advance notice is given to the Company and upon agreement to pay all charges due for the service furnished, plus any termination charges which might be applicable.
- b. Where a contract for service with a one-month minimum period is canceled before establishment of the service is completed, a charge not to exceed the service charge specified, is applied if all or a portion of the facilities have been installed.
- c. No minimum or termination charge will apply (unless otherwise stated specifically in this Services Catalog) where a new customer takes over the service of the former customer, provided the service is to be furnished at the same location without interruption and that the new customer assumes all unpaid charges on the original contract. Minimum and termination charges will apply for any service furnished under the original contract which is not retained by the new customer.
- d. No minimum or termination charge will apply in the event the service is terminated because of condemnation, destruction, or damage to property by fire or other cause, beyond the control of the customer.

TERMS AND CONDITIONS

K. PAYMENT FOR SERVICE AND FACILITIES

1. General
 - a. Generally all customers shall pay for services and facilities monthly in advance. Municipal, State or Governmental Agencies may be exceptions to this rule.
 - b. Billing to customers shall be scheduled monthly, except on mutual agreement of the customer and Company.
 - c. All bills for local services are due not less than 20 days after the bill is rendered.
 - d. When a customer is connected or disconnected, or for other cause the service received deviates by more than twenty-four consecutive hours from the normal billing period, the bill shall be prorated. If the prorating indicates a refund is due, the refund shall be accomplished by bill credit.
 - e. Failure to receive a bill does not relieve the customer of the responsibility for payment.
2. Disconnection of Service by the Company
 - a. In the event of failure by the customer or those responsible to pay any bill on or before the due date, the Company may discontinue local, services upon written notice, allowing the customer five days to make payment or settlement.
3. Service Charge for Reconnection
 - a. Where service has been discontinued for non-payment of a due bill applicable service charges as defined in Part VI of this Services Catalog shall apply.
 - b. Where service has been discontinued for the non-payment of a due bill, the customer may be required to reestablish credit as defined in Establishment and Maintenance of Credit.
 - c. The maximum payment for restoration of service that existed prior to disconnection shall be the total past due amount, applicable nonrecurring charges and if appropriate, an Advance Payment and Deposit as specified elsewhere in this Services Catalog.
4. Late Payment Charge
 - a. All bills for which full payment has not been received paid before the last date for timely payment shall be subject to a late payment charge.
 - b. Each account shall be granted not less than one complete forgiveness of late payment charges each calendar year for regulated services. The customer will be notified that this forgiveness has been used by first class mail, telephone or electronic means.
 - c. Late payment charges shall be 10% of the unpaid balance.

LOCAL EXCHANGE SERVICE

RESALE AND SHARED SERVICES

A. GENERAL

1. The Company will provide central office access lines to any landlord, owner, tenant association, or other affiliated group for the purpose of reselling or sharing local exchange services to occupants of a building or complex of buildings with a community of interest.
2. All persons (end-users) or occupants in a building or complex of buildings shall be permitted to subscribe to local exchange service from the Company.
3. The telephone rates charged to resale or shared use providers of service shall be on the same basis as business service.
4. The rates contained herein are in addition to all other applicable rates and charges located in other parts of this Company's Services Catalog.

B. CONDITIONS

1. Community of interest as used in Paragraph A.1. above normally indicates joint or common ownership but other factors may be considered.
2. The local resale or shared use supplier is required to subscribe to a sufficient number of access lines to assure the local network is not impaired and shall provide adequate facilities to its customers.
3. The Company is responsible for transmission quality up to the point of demarcation with the resale/shared use supplier. Transmission quality on the customer side of demarcation shall be the responsibility of the resale/shared use supplier.
4. The local resale/shared use supplier shall be responsible for providing local exchange telephone directories to its customers or users. The Company shall provide the resale/shared use supplier a directory in accordance with Part II of this Services Catalog.

GENERAL EXCHANGE SERVICES

E. CONDITIONS

1. No toll calls will be placed from or charged to the customer's adjacent exchange central office access line except at such times as the primary exchange central office access line has been reported to be out of service.
 - a. Any violation of this condition will be cause for suspension or termination of the Adjacent Exchange Service.
 - b. When service from the primary exchange has been reported out of order, toll calls placed from the adjacent exchange central office access line will be rated from the adjacent exchange.
2. The rates, charges and billing for primary exchange service (plus toll charges on the primary central office access line) will be the responsibility of the primary company. The primary exchange company shall bill for the adjacent exchange service and make appropriate settlement to the secondary exchange company, unless the primary exchange and the adjacent exchange agree to a different billing arrangement.
3. All outside telephone plant and facilities will be owned, installed and maintained by the company(s) in whose exchange it is provided.
4. A customer subscribing to adjacent exchange service must also subscribe to service from the primary exchange. Any suspension or termination of the primary exchange service will require suspension or termination of the adjacent exchange service.
5. Disconnection of Service
 - a. When service provided under this Services Catalog is disconnected, because the customer has no further need of such, or for non-payment of either primary or adjacent exchange service, no refunds of amounts paid previously by the customer for the extension of this service will be made by the Company.
6. Reuse of Facilities
 - a. When disconnected facilities are reused by a subsequent adjacent exchange service customer requiring the same grade of service, no additional Construction Charges will be applied to such reconnected facilities, providing no additional construction of telephone plant is required.
7. Failure of the customer to comply with the Services Catalog provisions related to adjacent exchange service shall make the customer subject to discontinuance of service after appropriate notice.
8. Adjacent exchange service shall be restricted to only residential service, unless a waiver is permitted by the Utilities Board for a particular customer for good cause shown.

C. DEFINITIONS

1. Individual Services

- a. Blocked Call Rejection: Allows a customer of Caller Identification - Name and/or Caller Identification - Number to reject calls for which calling name/number display information has been intentionally blocked. Only calls for which the information has been blocked are rejected.
- b. Call Forwarding-Basic: Permits a customer to transfer all incoming calls to another dialable telephone number. The customer pre-selects a second telephone number to which all incoming calls are automatically transferred. Calls may be transferred to a long distance message telecommunications point subject to the availability of the necessary facilities in the central office from which the calls are to be transferred.
- c. Call Rejection: Enables a customer to reject call attempts from calling parties by dialing a code and the telephone numbers of calls to be rejected. Any call attempts to the customer from these numbers will be prevented from terminating to the customer and will instead be connected to an announcement informing the caller that the call is not presently being accepted by the called party. A customer may also reject future calls from the most recent call received by dialing a code after completing the call.

* - Rates are available to customers at the Company's office, website or by mail.

C. DEFINITIONS (Continued)

- d. Call Trace: Allows a customer to activate an immediate trace of the last incoming call, without requiring prior approval and intervention by telephone company personnel. The identification of the traced number is located at the telephone company.
- e. Call Waiting: By means of a tone signal a customer who is using his telephone is alerted when another caller is trying to reach that station. This permits putting the first call on hold so that a second call can be answered.
- f. Call Waiting Deactivation: This feature gives Call Waiting customers the ability to control when Call Waiting functions on their line.
- g. Call Identification Blocking-Per Call: Enables a customer to control the disclosure of their telephone number or name and telephone number to a subscriber of Caller Identification (where technically feasible) by temporarily changing the public/private status indicator of the telephone number. A customer must dial a code before each call to change the indicator from public to private. "Public status" allows delivery of the telephone number or name and telephone number. "Private status" prevents delivery of the telephone number or name and telephone number. Per Call Blocking is provided at no charge.
- h. Call Identification Blocking-Per Line: Provides a permanent private indicator on a customer's line. Once blocking is established on the customer's line, the private status cannot be deactivated by the customer. Rates and charges are provided herein. Federal, State and Local Law Enforcement Agencies, nonprofit domestic violence/sexual assault agencies and their staffs, and victims of domestic/sexual assault or individuals who express a personal safety need and sign a personal safety exemption form may be provided additional arrangements for private status and/or line blocking, on a line-by-line basis, at no charge.

The certification form identifies the customer who is to receive Per Line Blocking at no charge and acknowledges that if a line is equipped with Per Line Blocking, that the telephone number and name will not be delivered to subscribers of Caller ID, including poison control centers, hospitals, medical centers and others who might use Caller ID to provide assistance. 911 is not affected. And, some subscribers of Caller ID Service may choose not to answer blocked calls.

The customer acknowledges the understanding of the above. Further, the customer releases the Company from all claims and liability, including personal injury caused by its errors, omissions and operation or malfunction of Per Line Blocking service.
