

# DANVILLE DSL

(A Danville land-line phone is required)

Name: \_\_\_\_\_ Phone: \_\_\_\_\_

Address: \_\_\_\_\_ Cell Phone: \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

Circle the speed you want.

<u>Speed</u>	<u>Price/Month</u>	<u>Equipment</u>	<u>Cost</u>	<u>Qty</u>
3.0 Mbps	\$50.95	Zyxel Wireless Modem/Router	\$85.00	1
4.5 Mbps	\$66.95	*Phone filter (in-line)	\$2.75	_____
6.0 Mbps	\$70.95	Phone filter (wall-mount)	\$5.05	_____
10.0 Mbps	\$85.95	Splitter filter	\$2.91	_____
*10, 15, 20 Mbps where available		Surge Protector	\$49.50	_____

**\*Directv or Dish receivers that are connected to a telephone jack must also be filtered.**

Danville Telecom strongly recommends surge protectors for modem and computer protection. The ones we sell come with a lifetime guarantee.

Your computer must have an operating system of XP or newer.

By signing this application for DSL service, I take full responsible for all installation and security-related issues regarding my computer system. I understand that DSL is a “constant connection” to the internet with a static IP address and is more susceptible to security breaches. **I WILL NOT HOLD DANVILLE TELECOM LIABLE FOR ANY SECURITY RELATED PROBLEMS. I also understand that this service is strictly for subscriber use and resale is prohibited.**
